

Leamington DTC

is pleased to announce our

Rally Section

Thursday classes start 17th June 2010.

West Hall, The Kennel Club Building, Stoneleigh Park, CV8 2LZ

Pre-booking essential as numbers are limited

Rally is an exciting new dog sport introduced into the UK by the APDT UK. It aims to be accessible to all dogs and handlers with a basic level of training.

Rally is a sport for people of all ages, and is accessible for those with disabilities. It is open for all dogs whether they are purebred, mixed breed or have a disability - all are encouraged to participate. To enjoy training this new sport some basic obedience skills are required, all dogs should already be able to do the following:

- walk on a loose lead
- have the 3 basic positions – Sit, Stand, Down
- a basic recall on lead with present and finishes
- be socialised with other dogs

The training methods for these classes will use positive reinforcement. All handlers agree not to use harsh handling methods or punitive equipment.

Rally is an APDT UK initiative operating within the principles of the APDT UK.
